

## Sentelligent Medical Intuitive Body Scan

- 1) Ask for presenting symptoms. Get clear channel and set sacred space.
- 2) Ask if any resistance or interference. If interference, ask that is be moved out.
- 3) Ask Source to provide information only on organs and systems, etc that are related to and contributing to presenting symptoms and are needed to heal symptoms as completely as possible
- 4) Check for imbalances, bacterial strains, toxins, sensitivities, etc. and ask for other information that is important for your client as this time.
- 5) Look at list of supplements and medication to see if they are in balance, if any need to be added, reduced, etc. and foods that can be used to replace supplements
